CINÉFÊTE VIDÉO ONLINE

Special offer on streaming licences to educational institutions for *previously* acquired videos on DVD.

Price: \$90 per title (1 year) | 150\$ per title (3 years)

Given the events we are going through and the constraint of having to stay at home in these circumstances, it is imperative for teachers and students to be able to online access to the educational resources offered by their institutions.

With this in mind, we're making a special offer to your organization to obtain streaming rights for most of the videos that were previously purchased on DVD from CinéFête.

The price of a streaming license is \$ 90 per title for a period of 1 year or \$ 150 per title for a period of 3 years plus tax. The handling fee is included.

This special offer is effective until **June 30, 2020** but could be extended beyond this date depending on developments concerning Covid19.

For more details on our streaming offer and other services, please call us at 1-800-858-2183 or contact us by email: info@cinefete.ca

Thank you for considering this proposal in the hopes that it will contribute to the enrichment of your online services.
